

FRAMED DOORS

API's Entry Systems are equipped for a wide array of applications, designed to customer's exact specifications and manufactured to be durable for constant use.

FRAMED DOORS

ENTRY SYSTEMS

American Products, Inc. (API) offers a wide variety of quality entry systems. Standard & custom options are available.

- Framed
- Frameless
- Revolving
- Stacking
- Cladded - Brass, Bronze & Custom
- Hollow Metal & Security
- Sliding, Top-Hung & Bottom Track
- Custom Designs

LIMITLESS FRAMED DOOR OPTIONS

API's Framed Entrance Doors are designed, engineered, constructed & tested to withstand constant use, while offering a visually appealing statement.

API offers narrow, medium, or wide stile framed doors. Criteria for selecting a framed door include size, application, design, and traffic flow. Depending on project needs, API's specialty hardware can be applied such as offset or center pivots, push bars, locks, cylinders, panic and exit devices, and more.

PERFORMANCE - FRAMED DOORS

API's Framed Entrance Doors are welded at eight points per leaf, mechanically fastened at all four corners and sent through rigorous quality control tests.

Performance Test Standards

Air Performance	ASTM E 283
Forced Entry	AAMA 1 304
Structural	ASTM E 330

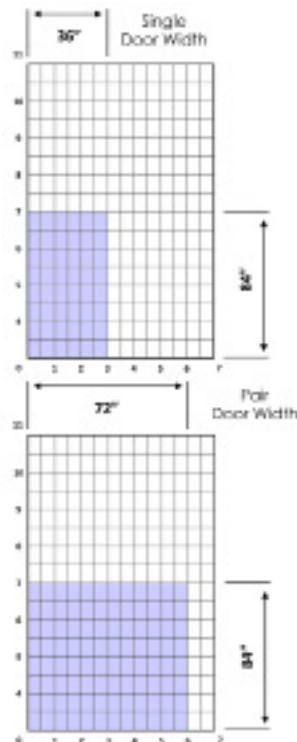

FRAMED DOOR TYPES

Standard API Framed Entrance Door Systems can be glazed with 1/4" thru 1" glass & are available in:

- **NARROW STILE**
2" vertical stiles, 2-1/2" top rail, 3-1/2" bottom rail.
- **MEDIUM STILE**
3-1/2" vertical stiles, 3-1/2" top rail, 6-1/2" bottom rail.
- **WIDE STILE**
5" vertical stiles, 5" top rail, 6-1/2" bottom rail.

FINISHES

Available in Standard Anodized (clear, bronze, black, etc.), Powder Coat (endless color options), 2, 3 & 4 coat Kynar (standard and custom). Stainless Steel, Brass, Oil Rubbed Bronze, and custom cladded finishes also available. API can match or create virtually any color.

CUSTOMIZATION

API offers custom design solutions to meet specific project needs such as special sizing, custom hardware, infills, finishes, handles, cladding & more.
