

**American Products, Inc. (API)  
Waiver of Liability  
Material**

When "Customer" receives materials of any kind by American Products, Inc. Production Company of Pinellas County, Inc. (API), hereafter referred to as API, where-as API has released material to the "Customer(s)" third party freight carrier, the "Customer" acknowledges and agrees to the following:

(1) API is not responsible for any damage and/or loss of any nature incurred during transit; (2) API is not liable for any fault, failure or inability by third party freight carrier to meet specified requirements of delivery date and/or delivery time requested by the "Customer"; (3) API does not assume responsibility for transportation or insurance of material. Orders are picked up at API's facility in Tampa, Florida.

It is the "Customers" responsibility to carefully check the entire delivery for completeness and any evidence of shipping damage. Damages, shortages, or discrepancies must be noted and signed for on the shipping documents and all claims must be submitted directly by the "Customer" to the third party freight carrier. API accepts no responsibility whatsoever for damages, including labor, fines, fees, and any other monetary expense, incurred due to: (1) the delivery of materials damaged in transit; (2) the delivery of materials late to the requested delivery site; (3) the delivery of materials lost in transit.

By signing below, I the "Customer", understand all of the above and accept full responsibility for any/all materials that have been delivered to me via a third party freight carrier that I (the Customer) have arranged, and will hold API harmless from any legal action or suit to recover compensation for anything destroyed or damaged in the process above and/or any consequential damages or any other fees of any kind. Further, I acknowledge I have full authority to sign this document on behalf of the company noted below.

Additional Note: Per the "Customer's" approval, the materials will not be packaged, wrapped or crated. The third party freight carrier will take care of all material packaging and provide safe transport to the destination.
