

SOCIAL DISTANCING SERIES

American Products Inc. (API) offers a variety of Social Distancing products that are ideal for retail, restaurant, grocery, hospitality and any industries that require direct interaction between employees and customers.

SOCIAL DISTANCING SERIES

A SOLUTION FOR REDUCING THE SPREAD OF GERMS

API's Social Distancing Series was designed to help reduce the spread of airborne germs commonly spread by coughing or sneezing. They are ideal for POS check-out areas, reception areas, desks, waiting rooms, fitness centers and more!

PRODUCT LINES

- Counter/Desk Sneeze Guard
- Divider Wall
- Waiting Room Barrier Shield

PRODUCT FEATURES

API's Social Distancing products are manufactured using plexi glass and aluminum bases. Openings at the bottom of the Counter/Desk Sneeze Guard allow for the transfer of small items.
